FINE TEAS

By The East India Company

The Royal Albert Hall has partnered with The East India Company to offer the very best loose leaf teas, to delight, intrigue, inspire, surprise and refresh.

BLACK TEA

1871 Blend

Exclusively created for the Royal Albert Hall, celebrating its 1871 opening. Combining high-grown single estate teas from four distinct regions for a rich, soft, full-bodied tea with a gentle yet complex profile.

Darjeeling First Flush

This first harvest spring tea captures the ideal 'muscatel' character of Darjeeling. High grown in the Himalayan foothills, light, bright, floral and delicate with earthy grassy notes.

Assam Second Flush STGFOP

A single estate tea. Complex and fragrant with a golden tip in the leaf, highlighting the malty character of low-grown Assam.

Royal Breakfast

The original, full-bodied breakfast tea, perfect for those who prefer a rich and robust tea with milk.

The Staunton Earl Grey

A distinct and different Earl Grey, blending the finest natural Neroli and Bergamot oils to create a tea with an exceptional aroma and flavour profile. Fragrant, floral and unique.

FOR THE ADVENTUROUS

Dragonwell Lung Ching Green Tea

Created by hand-pressing and firing in a wok to retain the refreshingly sweet and clean character of this fine Chinese tea.

Jasmine Pearls Green Tea

Young green tea leaves and buds, scented with jasmine blossom flowers and then hand-rolled. Delicate and soothing.

Premium Milk Oolong

The creaminess of the renowned Milk Oolong tea is the result of delicate hand processing. With its caramel notes, this fine oolong brews to a velvety smooth infusion.

Blend 68 White Tea

Fine white tea with touches of hibiscus, rosehip and orange peel, for a balanced, natural fruit tea.

FINE HERBAL INFUSIONS

Nile Chamomile

Calming and relaxing, Chamomile is naturally caffeine-free and perfect to relax with in the late afternoon or evening.

English Peppermint

Made from the finest English Mitcham Black peppermint, our pure peppermint leaves have a pleasant and invigorating taste. Wonderfully refreshing any time of the day.

"Founded by Royal Charter by Queen Elizabeth I, The East India Company brought the first teas to Britain, and today continues the tradition of crafting fine teas together with tea estates and planters around the world."
